

HISTORICKÁ TABULKA závodu Půlmaratón okolo Nového Veselí - muži

Komentář k historické tabulce:

V tabulce je započítán 1. - 35. ročník závodu (1986 - 2022)

Tabulka je sestavena podle bodů získaných podle soutěže BV ve všech ročnících. Muži byli hodnoceni v letech 1980 - 1991 ve dvou, v letech 1992 - 1999 ve třech, v letech 2000-02 ve čtyřech, a od roku 2003 v pěti kategoriích. Ženy jsou hodnoceny do roku 2003 v jedné kategorii bez rozdílu věku, od roku 2004 ve dvou a od roku 2004 ve třech kategoriích. Do roku 2006 (20. ročník) je výkon 1 na velkém okruhu Ostrov n. Osl. - Žďár n. S. a od roku 2007 výkon 2 na obrátkovém okruhu do Újezda a zpět. Vítězství se počítá v příslušné věkové kategorii. Body jsou znovu přepočítány jednotným způsobem z původních výsledkových listin se zaokrouhlením na tři desetinná místa podle vzorce uvedeného v propozicích soutěže.

Celkem je v tabulce 819 závodníků, 439 má jeden start.

| poř. body | poř. výk. 1 | poř. výk. 2 | jméno | rok nar. | rok úmrtí | příslušnost | body | počet startů | poč vítěz | výkon 1 | výkon 2 |
